AT THE PINEHILLS

By The Green Company

## Residence Three

2,198 sq. ft.

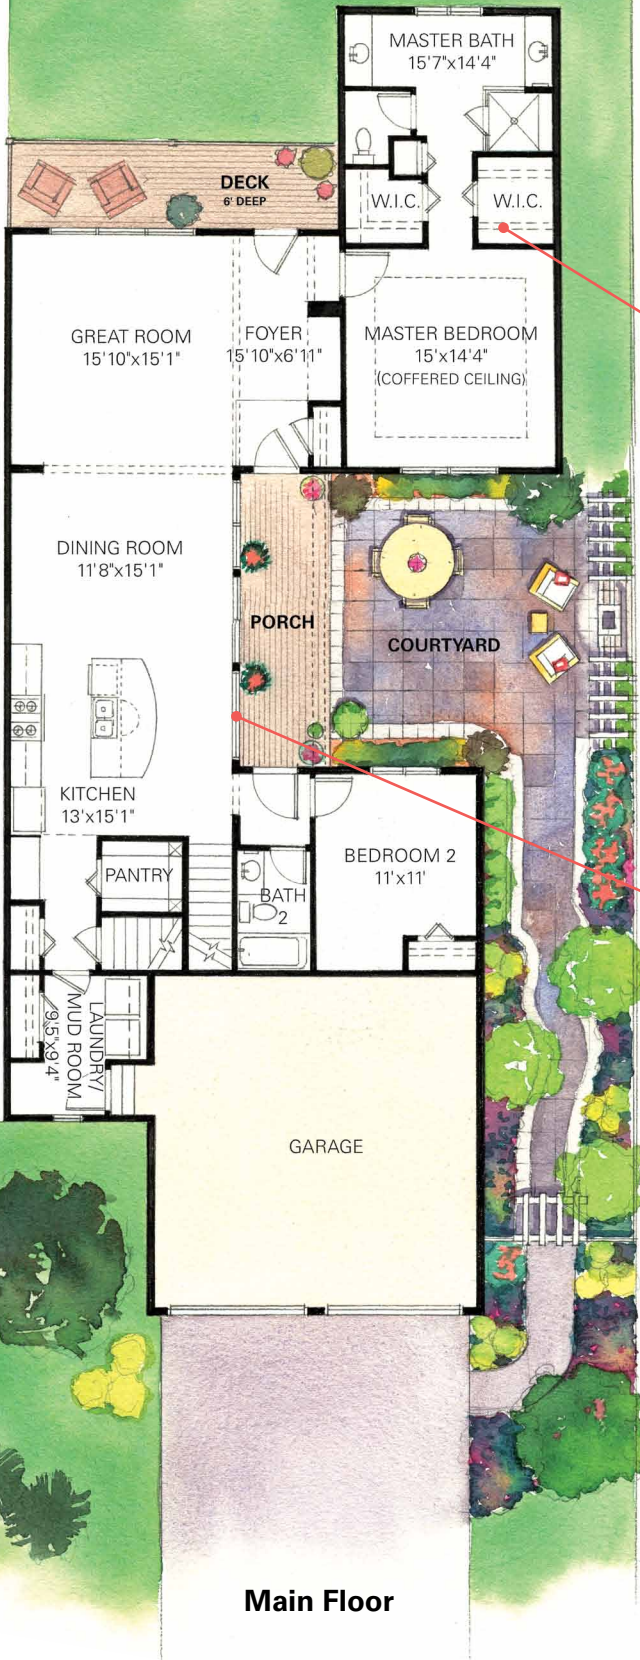

3 bedrooms + loft

3 baths

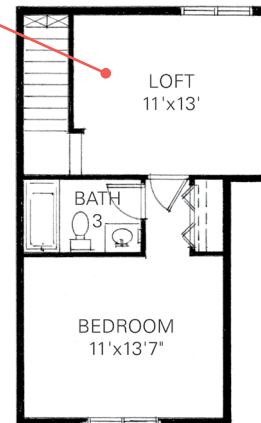

In the master suite, his and her sinks and closets. The secret of true happiness.

Upstairs, a guest bedroom and bath, plus a cozy loft. (Those guests may never want to leave.)

Window walls flood the interior with light, bringing the outdoors in.

### By The Green Company

These refreshing condominium townhomes feature private courtyards surrounded by contemporary, open living spaces that blur the boundary between inside and out. They're low maintenance, ideal for your active, on-the-go lifestyle. And, because they're built by The Green Company, they're also grounded in earth-friendly, sustainable design.

Built with pride by a  
Green Company company
